## Welcome

Welcome to the Falkirk Fury Basketball Club.

Fury is one of numerous clubs that play in the **basketballscotland** & local leagues depending on age group. We have a strong tradition of success at both junior and senior levels. The senior men have been Scottish Champions in the last 3 or the last 5 years 2012-13, 2013-14, 2014-15, 2016-17 they have won over 20+ national titles in the last 28 years since the club was formed. In 2016-17 the Senior Women became national play-off champions. In season 2019-20 when the season was finished due to the global pandemic Senior Men had won the league and were along with the younger teams ready to progress to the finals of the play-offs.

The goals of the club are to:

- Create an environment which caters to the needs of players of all ages and abilities
- Be a leader in the development of basketball in Scotland
- Achieve on court success at all levels
- Encourage and support our elite players, coaches and administrators to further their abilities by following the **basketballscotland** pathway
- Establish a club structure which ensures long term financial security

Our junior players participate in junior competition from under 10's to under 18's. We focus on skill development and provide training camps during holiday periods for existing and aspiring players.

We also support and encourage all players to perform to the best of their ability.

Our senior players participate in **basketballscotland** leagues and cups and have a history of success which includes numerous championships in both men and women.

Fury is proud of the players who represent us at a higher level. Many Fury players have progressed become Scotland and Great Britain players.

Fury Basketball Club operates through the volunteered assistance of parents, players and others in positions on the clubs Committee, Coaching and Team Management.

If you would like to be involved in one of these positions, contact us.

Our club welcomes all new members and actively encourages family involvement. As in all sporting organizations our aim is to provide players with an activity that is healthy, energetic, co-operative but most of all FUN.

# Junior Club Program

## Introduction

Fury junior club program aims to create an environment in which players of all ages and abilities can reach their potential. Key aspects of the program include:

- constant skill development
- fostering a desire and effort to improve
- instilling a commitment to the club, the team and the individual
- recognising and acknowledging different rates of development
- developing a positive attitude towards team mates, referees, coaches, and the opposition
- enjoying the game of basketball

In Under 10 and 12 age groups, players are taught the basic skills of the game and learn to apply them in a competitive environment. The emphasis is on skill development, participation, confidence building and enjoyment.

From Under 14's to 16's, players are expected to accept and respond to the demands of greater competition. While retaining the constant focus on skill development, there is a need for higher levels of work rate and intensity. On a technical level, we focus on aspects of the game which give our players the greatest chance of success at the highest possible level.

This includes:

- the fundamentals of shooting, passing and dribbling,
- motion offence,
- man-to-man defence.

We believe that players who learn these aspects at a young age find it easier to adapt to more tactical aspects at an older age.

To be eligible to play in an age group as indicated below:

- Senior players - players who have reached their 18th birthday before 1 January of the current season
- Under 18 players - players who have not reached their 18th birthday before 1 January of the current season

- Under 16 players -players who have not reached their 16th birthday before 1 January of the current year

Generally teams train twice per week the day and location of training will be decided by the team coach, who will contact you prior to the start of the season. Strength & conditioning session will also take place.

All players are required to attend every programmed training session, and to arrive at least 15 minutes early to warm up and stretch with a water bottle. For times when a player cannot make the scheduled training session a courteous phone call / email to the coach in advance is expected. If a player misses a training session and does not give a valid reason, court time in the next game may be limited.

The purpose of this policy is to reward players who are committed and willing to work ahead of those who are not.

## Uniforms

All players must wear the correct uniform when playing in competitions, failure to do so will result in the player not being able to take the court. This is strongly policed by **basketballscotland** officials and no exceptions are made.

## Fees

Club Fees are payable each season per player and vary depending on age group / competition.

Fury set the club fee for each season at the start of the year. This fee is paid directly to Falkirk Fury Basketball Club and is used to fund registration, uniforms, court hire, coaching clinics and end of year presentations, etc.

As a club, we have a sponsorship agreement with various local businesses who provide us with funding each year. At most age groups players have to be registered with **basketballscotland** which is paid annually.

All teams also have to be registered to play in the leagues & competition amount varies depending on the age group.

The registration fee for club players are set by **basketballscotland** for each season. The fees are paid directly to **basketballscotland** by the club.

## **Abuse of Referees**

Falkirk Fury & **basketballscotland** implement a zero tolerance policy towards abuse of referees. This policy severely limits any opportunity for spectators, coaches and players to communicate with officials. We realise that it is important for officials to develop good communication skills, however we believe it is more important to adopt a policy which will help improve the quality and number of referees. The purpose of this zero abuse policy is to create an environment which is conducive to recruiting, developing and retaining refereeing talent, for the long term benefit of everyone. If a spectator or coach has an issue with the referee we encourage them to talk to the Fury Coach in the first instance.

## **Spectators**

Spectators are not permitted to discuss, criticise, query, or ask for an interpretation of, refereeing decisions, at any time. All breaches will be reported to the **basketballscotland**.

## **Players**

Players are not permitted to discuss, criticise, query, or ask for an interpretation of, refereeing decisions, at any time. Only the captain is allowed to ask for clarification on a call. All breaches will be reported to **basketballscotland**. This may result in either a fine or suspension.

## **Coaches**

Coaches are permitted to query issues with referees or referees in charge, provided it happens in a calm and courteous manner. Any argumentative, critical, sarcastic, repetitive or frivolous communication will not be tolerated, regardless of any justification. All breaches will be reported to **basketballscotland**. A first breach will result in a warning. A second breach, or any major breach, may result in the coach being suspended from games, at the discretion of the referee.

## **Team Managers**

Each Team (where appropriate) is encouraged to appoint a Team Manager, to assist the coach throughout the season. It is important that the Team Manager has a close liaison with the coach and all parents are expected to support and assist the Team Manager.

The Role of the Team Manager includes:

- Complete and maintain a team sheet and provide a copy to all parents and junior registrar
- Obtain complete Medical Sheets for all players and retain whilst that player is in your team. In case of emergency, this sheet is to be referred to
- Ensure all new players fill out the club registration form
- Players are responsible for their own drink bottles. Team Managers will generally look after the drink bottles during the game
- Prior to games, obtain the score sheet and fill in the players' names
- Work closely with the Coach to bring about a high level of team spirit and camaraderie within the team and with all other members of the club
- Try to keep any issues that arise away from the coach to ensure that the coach can do his/her job. Take up the issues direct with a committee member and attempt a resolution without having to involve the coach.
